MOVING WATERS VTS FAMILY DAY **BLUE STAR Contemporary Art Center**

Please join us at Blue Star Contemporary Art Center for a free day of art-making focused on activities from 04ARTS Foundation's new Moving Waters Workbook. The Workbook will be given to participating students free of charge.

When: Sunday, October 7, 2006 from 1-4pm

Where: Blue Star Contemporary Art Center, 116 Blue Star on the San Antonio River at Alamo St.

Learn about what's going on in the river right here in San Antonio. Local artists will lead fun art projects, and refreshments will be served along the banks of our beautiful river. Students of all ages will have the opportunity to work with local artists such as Michael Villequette, Georgia Tambasis and Joey Fauerso to experience the sights, sounds and colors of the waterway.

Please contact Penelope Speier at pspeier@04arts.org to sign up.
